

Report on Webinar Conducted

Title: Snake bite deaths free Jharkhand.

Date: 28th February 2021

Preamble:

A One day webinar on Snake bite deaths free Jharkhand has been conducted on 28th February 2021, at M. G. College, Ranishwar, Dumka in order to spread knowledge about snakes, snake bites among the people of the Country.

Description about the Program:

The risk of an Indian dying from snake bite is about 1 in 250, but notably higher in some areas like Jharkhand. Prevention and treatment strategies might substantially reduce snake bite mortality in India and also in Jharkhand. For this awareness about snakes & snake bite may be fruitful.

On the webinar, Prof. (Dr.) SonaJharia Minz, Hon'ble Vice Chancellor, S. K. M. University, Dumka participated as Patron In Chief. In her inaugural address, she emphasized on the Need of science, technology & innovation in India. She also gave us insights about how science can help us in using snakes for the betterment of the country.

Prof. (Dr.) Hanuman Prasad Sharma, Hon'ble Pro-Vice Chancellor, S. K. M. University, Dumka participated as Patron on the webinar. In his address, he spoke about Emphasis of flora on microhabitat of snakes.

Prof. (Dr.) Hashmat Ali, Dean, School of Sciences, S. K. M. University, Dumka delivered his speech on importance of Information and communication in education.

(Prof.) Krishan Kumar Sharma, Retired V.C., M.D.S. University, Ajmer, Rajasthan was one of the keynote speaker of the webinar. He spoke on awareness about snake bite. He also gave us insights about snakes, snake bites and how to protect them and use them for our country's economic growth. He helped us understand how to be safe from snakes.

Dr. Neha Sharma, Associate Professor and Head, Department. of Microbiology, Shri Krishna University, M.P. was one of the keynote speaker of the webinar. She has delivered her lecture about Oro pharyngeal bacteria found in venomous and non venomous Snakes and their treatment. It was very informative.

The entire session was an interactive session and the speakers answered many queries raised by the participants.

Prof. Abdul Rayees Khan, Principal, M. G. College, Ranishwar proposed vote of thanks.

The entire programme was co-ordinated with the support of the Principal, faculty and staffs of M. G. College, Ranishwar, Dumka.

Feedback:

All the participants expressed their gratitude to the staffs of M. G. College, Ranishwar, Dumka for creating awareness on snakes and snake bites.

Future Perspectives:

The department of Zoology, M. G. College, Ranishwar is looking forward to organize future conferences on snakes and snake bite in order to create awareness to society of Jharkhand and all over the country.
