Subject: Letter of Appreciation

MGNCRE thanks Mayurakshi Gramin College for partnering with us in the national drive to engage educational institutions in the Government of India's Beat COVID Campaign.

With this regard the institution participated in MGNCRE WORKSHOP: 'Psycho-social skills of a Good Helper: Tackling the COVID pandemic' on 13th June 2021 from 11:30 AM to 1:00 PM.

During the workshop soft skills of a psycho-social helper were imparted to the participants. Participants learned the importance of attentive listening, showing empathy and merit of team work. The institution shared some of its commendable initiatives and took a pledge of 'Each One Reach One'.

We acknowledge the sincere efforts made by Dr Abdul Rayees Khan (Principal), Mr Gajendra Kumar Singh (Assistant professor, H.O.D Department of Commerce, Nodal Officer AISHE, Program Officer NSS) in organising the workshop and making it a success.

We appreciate the institution's commitment to form COVID Helper Teams that are ready to provide community services in the present pandemic situation. The devotion of professors and students of Mayurakshi Gramin College to provide psychological and emotional support by forming Helper Teams is commendable.

We admire the values of selfless service represented by your institution. We hope you will continue doing the good work in collaboration with MGNCRE.
