NAAC Accredited '**B**' Grade

Prospectus/Handbook

YEAR-2020-2021

## **Introduction**

Mayurakshi Gramin College was established in 1990. It is situated in rural and sub tribal plan of Jharkhand. This is an important and initial landmark in the progress of higher education at Ranishwar Block. This is a land mark in the progress of degree level education in this locality, which was totally neglected in the field of higher education as, this area is far away from Dumka Sub-divisional headquarter and there was no college in around 50-60 KM radius of the area. At present our college has the added challenge of catering education primarily to the economically under privileged section. Our task is to offer quality education with social, moral and ecological coded to the rural region.

Over two decades, M.G. College and its students grown up in this Rural and Tribal Area. Students from the college have made their mark in multiple university, state and national level for a via academic excellence and extra-curricular activities.

## **Vision**

To impart quality education for rural, tribal and marginalised students to meet new challenges of life and to make them good, self – reliant and capable citizens of the society and the country.

## **Mission**

The mission of the college is to sustain the unsustainable marginalised boys and girls students from the socially and economically backward society from rural and tribal area.

## **PRINCIPAL'S MESSAGE**

We reach the unreached. We make the students run and win. More importantly, we make them stand first. We make sure nobody around is left behind. Inclusivism is our mantra. This HEI is serving through the fluctuations of history. We create a supportive and inclusive ambience where students are encouraged to explore their abilities and improve them. Students are provided with ample opportunities that motivate them to develop creativity, confidence and resilience to become independent lifelong learners.

This grant-in-aid college has a 'B' grade NAAC accreditation and also the benefit of 2f and 12 B of the UGC. Very low fee structure of the college, shows the commitment of the institution towards social inclusivism and upliftment of the distressed sections.

Prof. Abdul Rayees Khan

Principal
